ATTACHMENT C
LITIGATION

Complete Attachment C by inserting information in the chart below listing all current and past litigation claims which have been filed by or against the firm submitting the response to the RFP or any principal or individual employed by any firm who may be assigned to the current project. As used in this attachment, the term litigation shall be construed in its broadest sense to include claims of every type and nature filed in any court and shall include both criminal and civil claims. The litigation information shall include the claimant name(s), the defendant name(s), resolution date (indicate a status of CURRENT if litigation is ongoing) and finally, a brief statement identifying the litigation matter. Litigation confidential details are neither required nor desired. If no litigation exists or has existed within the past three years, indicate by inserting the following statement on the first line of the chart below: "No litigation currently exists or has existed within the past three years".

If additional space is needed, copy this page and continue with listing.

Claimant name(s)	**Defendant name(s)**	**Resolution date or indicate "Current"**	**Litigation Matter**
