

# SOUTH FLORIDA COMMUNITY COLLEGE FOUNDATION, INC.

## Scholarship Information

All students attending or planning to attend South Florida Community College (SFCC) are encouraged to apply for a scholarship from the SFCC Foundation, Inc. The SFCC Scholarship Committee makes award decisions based on information obtained from the student and on the scholarship selection criteria. Awards may be granted to full-time or half-time students. While most scholarships are based on financial need as determined by the information on the Free Application for Federal Student Aid (FAFSA), others are based on academic merit and other criteria.

The minimum requirements to be considered for a scholarship are outlined below. Specific requirements for each scholarship are identified on the financial aid Web page at [www.southflorida.edu](http://www.southflorida.edu).

### Minimum Requirements:

- ❖ All applicants must file the Free Application for Federal Student Aid (FAFSA).
- ❖ Applicants must be a U.S. citizen or eligible non-citizen (same requirement for federal aid).
- ❖ Applicants must be enrolled at least half-time (6 credit hours or 240 clock hours per term).
- ❖ While each scholarship criteria varies, preference is usually given to students with B averages or higher.
- ❖ Applicants must submit a complete scholarship application (page 2). **Students who submit applications with information omitted may lose their chance to be considered for a scholarship.**

Following are the priority deadline dates for scholarship applications:
