

Citation of Online Sources Using APA Format

This is a suggested format for citation of material from an online source. The sixth edition of the *APA Publication Manual*, Chapter 7, should be consulted for other examples of references. **Please check the format of your references with your instructor before turning in the final copy of a paper.** Remember that the Reference list is alphabetized by authors' last names. For further information consult an APA manual.

Electronic version of print book with a DOI

Author's last name, Initials. (year of publication). *Title of book* [Electronic version].

doi: xx.xxxx/xxxxxxxxxxx

Schiraldi, G. R. (2001). *The post-traumatic stress disorder sourcebook: A guide to healing, recovery, and growth* [Adobe Digital Editions version]. doi: 10.1036/0071393722
