Welcome

It takes a special person to be a nurse. Some say it's a calling, others, an epiphany. Whatever the reason, it's one of the most giving career paths one can take. However, it's not an easy path, which is where ATI can help. We have the comprehensive and adaptive learning systems to prepare you for what you need to know to pass the NCLEX® and to become a compassionate, skilled nurse.

Getting Started with ATI

Go to www.atitesting.com.
Download free Silverlight software (if necessary).

Click "Create an account" and keep track of your username and password.
My Username _____
My Password _____

Important!
You **must** have the free Silverlight software on your computer (if you don't have it already) in order to open the new Faculty and Student home pages and resources. Please click here before you attempt to log in to install it or determine if you already have it on your computer.

New To ATI? Create an account.

After creating an account, you will be prompted to view the ATI-Plan - Getting Started with ATI videos. The ATI-Plan videos can be reviewed as often as needed under My Products and Tutorials.

Student Home Page

How To
ATI-Plan: Orientation videos to help you get started using ATI. View each video one-by-one to ensure understanding of the ATI website.
Product Training: Offers detailed instructions on specific web page functions like accessing assessments, tutorials, results and Focused Review®.
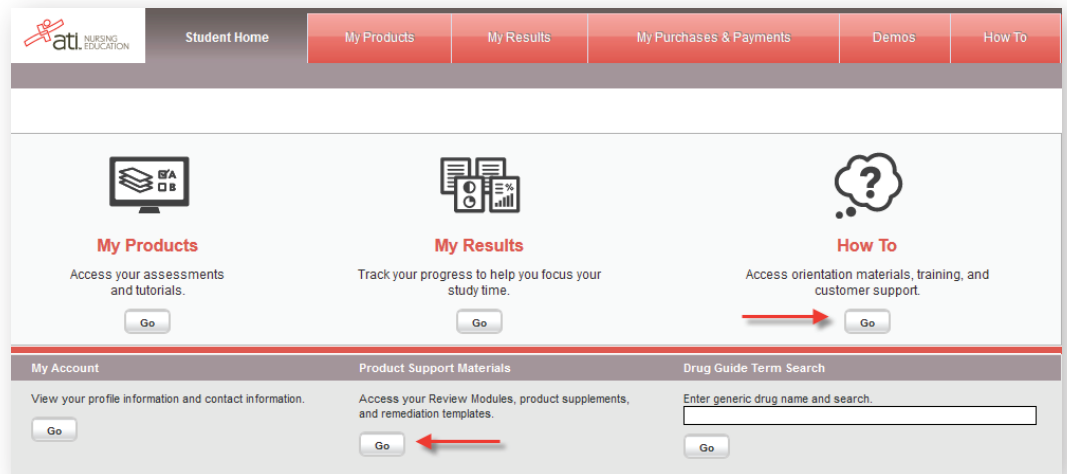

Product Support Materials
Online Review Modules: Include all content areas covered on NCLEX and contain hundreds of videos, animations and images to enhance your learning experience. Review Modules are directly linked to Focused Review to remediate areas of weakness based on your results on ATI assessments.
Drug Guide Term Search: Enter a drug term into the search box, and the interactive tool will automatically populate the drug's Information.
Active Learning Templates: Graphic organizers designed to review concepts you missed on ATI assessments.
Publications: Include online versions of Ready Set RN/PN.

ATI-Plan® - Getting Started with ATI

My Products

Enter IDs box:
Use the field to enter an ID provided by your instructor to gain access to an assessment, tutorial or course. Your instructor may give you individuals IDs for each assessment, tutorial and course, or you may be provided with one Product ID code.

Product ID: Your instructor may provide you with one Product ID code (starting with CDN) to access all assessments, tutorials and courses. The Product ID code is specific to each graduating class. Once you enter your Product ID code, you will have access to all assessments, tutorials and courses enabled by your instructor.

Tutorials:
NurseLogic & Learning System: These tutorials are designed to help you think like a nurse and practice test-taking strategies (included with your package). Your school may subscribe to other tutorials, such as Skills Modules, Dosage Calculation and Safe Medication Administration , Nurse's Touch™, Real Life™ Clinical Reasoning Scenarios and Pharmacology Made Easy.

Assessments:
Online Practice (Non-Proctored) Assessment: Is an unsupervised, informal assessment designed as a learning experience. You may access online and take as many times as needed. If enabled by your instructor, rationales are provided for both correct and incorrect responses, and provide an opportunity for mastery of content.

Proctored Assessment: Is a supervised, or monitored, standardized assessment that compares your performance to other students nationwide.

Proficiency Levels: Define performance on Content Mastery Series Proctored Assessments.

Comprehensive Predictor: Predicts your probability of passing NCLEX the first time.

My Results

Assessment Report: Provides your Topics to Review outline as your personalized remediation plan for independent study, and shows you exactly where to find remediation content (see below).

Focused Review: Allows you to remediate after every practice or proctored assessment by creating a plan to study ATI Review Module content, practice application exercises and view media clips - built to match your learning style.

NCLEX facts

National Council of State Boards of Nursing: www.ncsbn.org

C.A.T.: Computer Adaptive Test. This is the NCLEX testing format — the difficulty of every question you receive is based on your score from the previous answer.

NCLEX Blueprint: Updated every three years, the blueprint includes the detailed NCLEX test plan upon which ATI's assessments and study tools are based.

NCLEX - RN: 75-265 questions: 15 are pretest items, six hours max.

NCLEX - PN: 85-205 questions: 25 are pretest items, five hours max.
