

Addendum No. #1 – Due Date

RFP 17-01 Beverage Vending Contract

This addendum MUST be signed and returned with your proposal

There is a date revision for #1 Proposal Submission located on the first page of the RFP.

In the first paragraph, the day is listed incorrectly as **Wednesday**, April 24, 2017, the correct day is **Monday**, April 24, 2017 – only the day of the week changed not the date.

The official addendum is now posted on the College Bid Board and the Purchasing website. Please adjust your submittal consideration and note this Addendum (#1 17-01), when you submit your response to RFP 17-01.
