

Construction and Utility Trades

To gain skills for the construction or public works industry, consider South Florida State College. For more information about the courses, call 863-201-7195 or visit www.southflorida.edu/corpedschedule for the most current schedule.

Construction Trades

Basic Carpentry and Roofing - \$4,240.00

Location	Room	CRN	Dates	Days	Time
Crews Center, 200 US Hwy 27 S., Avon Park	0106	30714	June 1—July 24, 2020	M-F	8 a.m.—5 p.m.

This 8-week certificate pre-apprenticeship level course combines classroom instruction with hands-on training experience to teach the student the basic fundamentals of carpentry and roofing while learning employability skills. Students will receive instruction on how to write resumes, cover letters, and how to handle job interviews. The classroom instruction provides the students with the knowledge needed to calculate materials, transfer measurements from paper to project, and recognize different various materials used in carpentry and roofing. Students will receive hands-on instruction in the use of hand and power tools, construction methods, and basic roofing techniques. The OSHA 10-hour construction industry safety course is included in cost of course. Students will receive a tool belt with basic hand tools as part of their tuition. Students will be responsible for purchasing safety toed boots (ANSI approved) and must wear during training. Upon successful completion of the course, students will be able to install roof shingles, frame walls, repair, and install drywall. To register, call **863-784-7405**.

Upon successful completion of this course, students will be able to use a multi-meter, replace switches, and outlets, run basic circuits, change circuit breakers. To register, call **863-784-7405**.

HVAC

EPA 608 Refrigerant Exam - \$53

EPA regulations (40 CFR Part 82, Subpart F), under Section 608 of the Clean Air Act, require that technicians who maintain, service, repair, or dispose of equipment that could release ozone depleting refrigerants into the atmosphere must be certified. Starting on January 1, 2018, this requirement also applies to appliances containing most substitute refrigerants, including HFCs.

Technicians are required to pass an EPA-approved test to earn Section 608 Technician Certification. The tests are specific to the type of equipment the technician seeks to work on. Tests must be administered by an EPA-approved certifying organization. Section 608 Technician Certification credentials do not expire.

This exam is offered every semester and times vary. To schedule, call **863-784-7117**.

Utility Trades

Wastewater Class C Certification State of Florida Preparation Course - \$1,500

Campus	Building	Room	CRN	Dates	Days & Time
DeSoto	A	110	T.B.A.	T.B.A.	T.B.A.

The Wastewater Treatment Class C Certification State of Florida preparation course introduces and educates students to wastewater treatment plant operations, offers expanded maintenance activities of the treatment plant facility equipment, and a full range of process control test procedures that are required for a Class C operator. This course prepares students entering the field of wastewater operations at the C level, or supplemental training for those currently or previously employed at lower levels of certification, by way of direct classroom instruction, group discussion, problem solving, and demonstrations. SFSC offers hands-on instruction including field trips to various local treatment facilities and laboratories to provide the knowledge of the various processes and aspects of plant operations required of Class C operators. Course is 110 contact hours. Textbook is included in cost of course. If you are interested in this course, please call **863-201-7195**.

Water Treatment Class C Certification of Florida Preparation Course - \$1,500

Funding Opportunities for Construction Trade Programs

CareerSource Heartland

Scholarships for job training are provided through funds made available through the Workforce Innovation and Opportunity Act (WIOA).

To learn more about scholarships for job training, please attend a "WIOA" Orientation at one of the following CareerSource Heartland locations:

- DeSoto County • 2160 NE Roan Ave., Arcadia • Orientation every Monday • 10 a.m.
- Highlands County • 5901 US Hwy 27 S, Suite 1, Sebring • Orientation every Wednesday • 10 a.m.
- Okeechobee County • 207 SW Park St., Okeechobee • Orientation every Tuesday • 10 a.m.
- Hardee County • 324 6th Ave. North, Wauchula • Orientation every Tuesday • 11 a.m.

The following general requirements apply for scholarships for training services:

Must be a resident of DeSoto, Hardee, Highlands, or Okeechobee County.
Must be 18 years of age or older.
Meet U.S. Citizenship requirements or hold current Permanent Resident Alien Card.
All males born after December 31, 1959 must meet Selective Service registration requirements.
Household income falls within specific program guidelines.

You may also qualify if one of the following applies:

You are about to be or have been laid off from your job and are unlikely to return to the same or similar position; and you are eligible for, receiving, or have exhausted your reemployment compensation benefits.

You are a displaced homemaker no longer supported by the income of another family member and are unemployed or underemployed.

You are a former contract worker or self-employed individual who is unemployed due to current economic conditions.

CareerSource Heartland is an equal opportunity employer/program. Auxiliary aids and services available upon request to individuals with disabilities. All voice telephone numbers on this website may be reached by persons using TTY/TDD equipment via the Florida Relay Service at "711."
