Welding

Principles and Practices of Welding - \$4,500 - **Deadline to register August 7, 2020**

Campus	Building	Room	CRN	Dates	Days	Time
DeSoto	B	108	14030	September 1, 2020—May 11, 2021	T, W, R, S	T, W, R- 5:30—9:30 p.m.; Sat. 8 a.m.—5 p.m.

Course meets Tuesday, Wednesday and Thursday 5:30—9:30 p.m. and some Saturdays 8 a.m.—5 p.m. Saturday dates are Sept. 26, Oct. 10, Oct. 24, Nov. 7, Nov. 21, Dec. 12, Jan. 9, Jan. 23, Feb. 6, Feb. 20, March 6, March 27, April 10, and April 24.

This program offers classroom instruction with hands-on laboratory experiences to teach students to weld. The course is designed so welders will be able to work and be successful in several different areas of welding such as construction, shop manufacturing, and fabrication using SMAW (stick) and gas welding. Students will be introduced to the inert gas-shielded welding methods (MIG & TIG). Upon completion, students have the opportunity to become a Certified Welder by the American Welding Society (AWS). Protective gear, tool kit, and AWS Certified Welder exam fee is included in the cost of the course (a \$965 value). Students will be responsible for purchasing safety toed boots (ANSI Approved) and must wear during training. Call **863-201-7195** to discuss scholarship opportunities. To register, call **863-784-7405**.

Certifications

Manufacturing Skills Standards Council (MSSC) Certified Production Technician (CPT) —\$TBD

Campus	Building	Room	CRN	Dates	Days	Time
Highlands	TBA	TBA	TBA	TBA	TBA	TBA

The Manufacturing Production Technician Certificate from the Manufacturing Skills and Standards Council (MSSC) is a great way to get started. This industry-leading program will help you develop the core skills and knowledge needed for front-line manufacturing positions in production and material handling. You will receive 120 hours of training in four essential areas: safety awareness, quality assurance, production and processes and maintenance awareness. The course prepares you for assessments leading to the nationally recognized MSSC Certified Production Technician Credential. Assessment fees are included. You must pass the assessments to earn the credential. If interested in course, call **(863)784-7388**. To register, call **863-784-7405**.

Manufacturing Skills Standards Council (MSSC) Certified Logistics Associate (CLA) —\$1,000

Format	CRN	Semester
Hybrid	11462	Fall
Hybrid	TBA	Spring

RESUME WORTHY! This industry-led training, certification program will help you build the core skills required by the nation’s front-line material handling workers. This online program prepares you with the essential skills and knowledge to pass the Manufacturing Skills and Standards Council (MSSC) CLA assessment. You will learn the global supply chain logistics life cycle, logistics environment, material handling equipment, safety principles, safe material handling and equipment operation and quality control principles. Scholarship opportunities available for this course. To register, call **863-784-7405**. After registration, call **(863)784-7388** to gain access to this online course.

Manufacturing Skills Standards Council (MSSC) Certified Logistics Technician (CLT) —\$1,000

Format	CRN	Semester
Hybrid	11461	Fall
Hybrid	TBA	Spring

RESUME WORTHY AND 40-HOUR INTERNSHIP! Go beyond the Certified Logistics Associate (CLA) certification and earn the Certified Logistics Technician (CLT) credential from the Manufacturing Skills Standards Council (MSSC). This online program will increase your skills and knowledge in key areas of logistics, including product storage, order processing, packaging and shipment, inventory control, safe handling of hazmat materials, and evaluation of transportation modes. You will also learn about dispatch and tracking, measurements, and metric conversions. You must hold the MSSC CLA certification to enroll in this course. Prerequisite: MSSC (CLA) Certification. Scholarship opportunities available for this course. To register, call **863-784-7405**. After registration, call **(863)784-7388** to gain access to this online course.

Online Courses For Business Professionals - as low as \$99

Our instructor-facilitated online courses are informative, fun, convenient, and highly interactive. Our instructors are famous for their ability to create warm and supportive communities of learners.

All courses run for six weeks (with a 10-day grace period at the end). Courses are project-oriented and include lessons, quizzes, hands-on assignments, discussion areas, supplementary links, and more. You can complete any course entirely from your home or office at any time of the day or night. Learn from the comfort of home. Enroll Now! Visit our Instruction Center at ed2go.com/sfsc.
