Type A - dbl. door panic hardware

The image shows a double door with large glass panes. The door is dark-colored, possibly black or dark brown. The glass panes are clear, showing the interior and exterior views. The interior view shows a hallway with a light-colored wall and a dark floor. The exterior view shows a building with a red and white striped awning and some greenery. The door is slightly ajar, revealing the interior.

Type B- dbl. door panic hardware

A photograph of a double door system. The doors are dark-colored with a vertical mullion in the center. Each door is equipped with a panic hardware device, which consists of a horizontal bar and a release mechanism. The doors are set in a frame, and the background is a light-colored wall.

Type C - dbl. door panic hardware with mullion

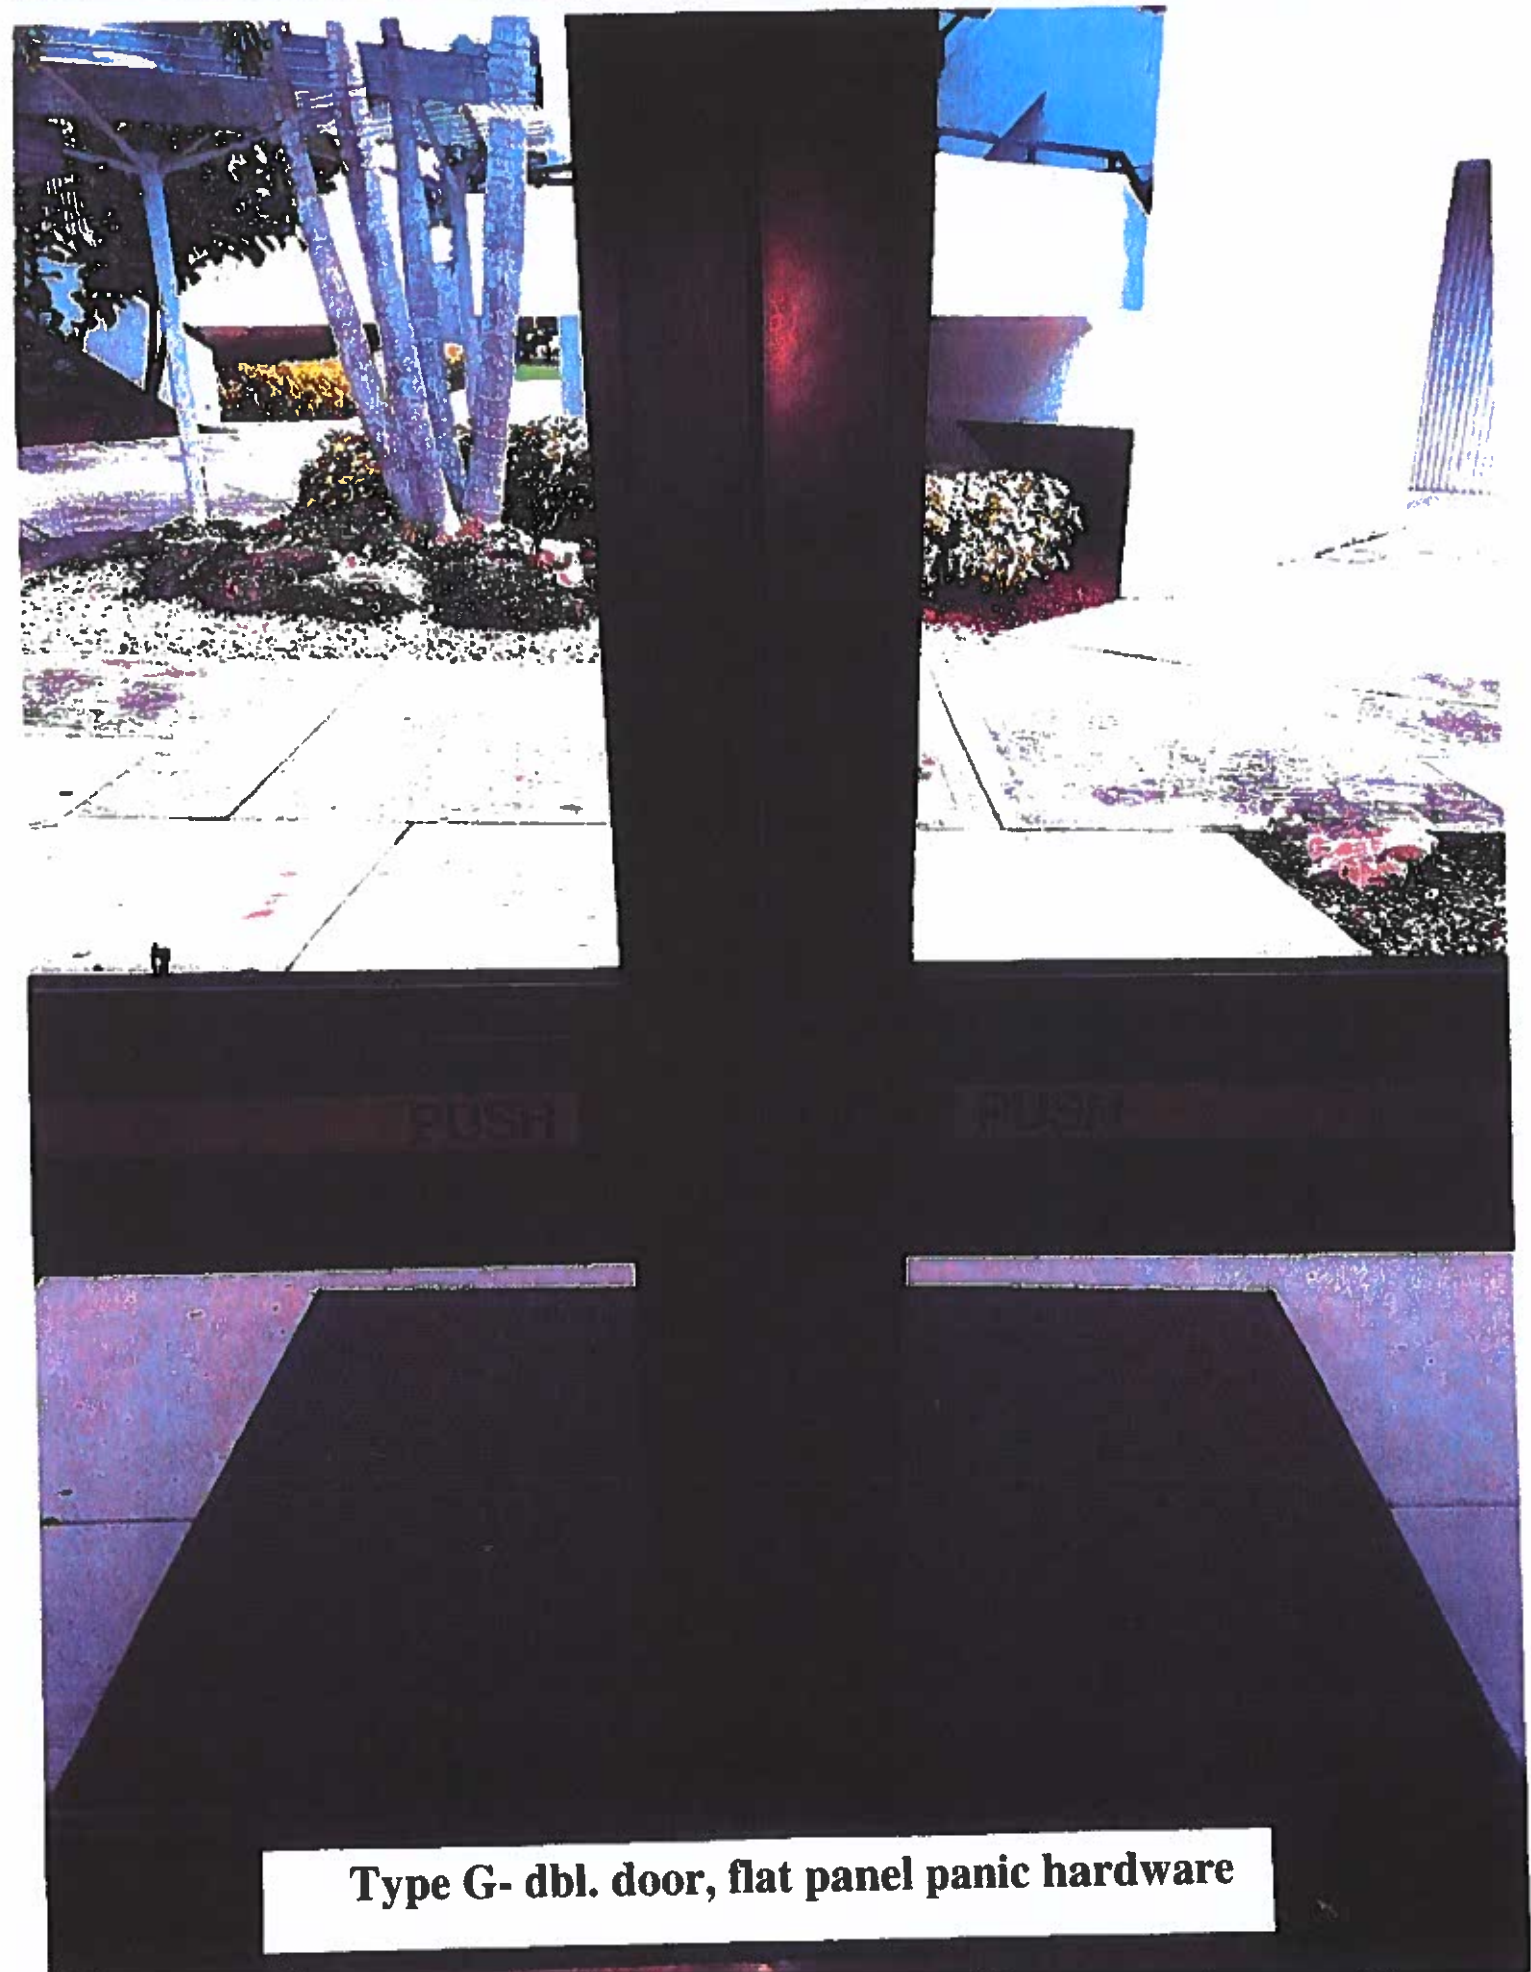

Type D- cylindrical single doors

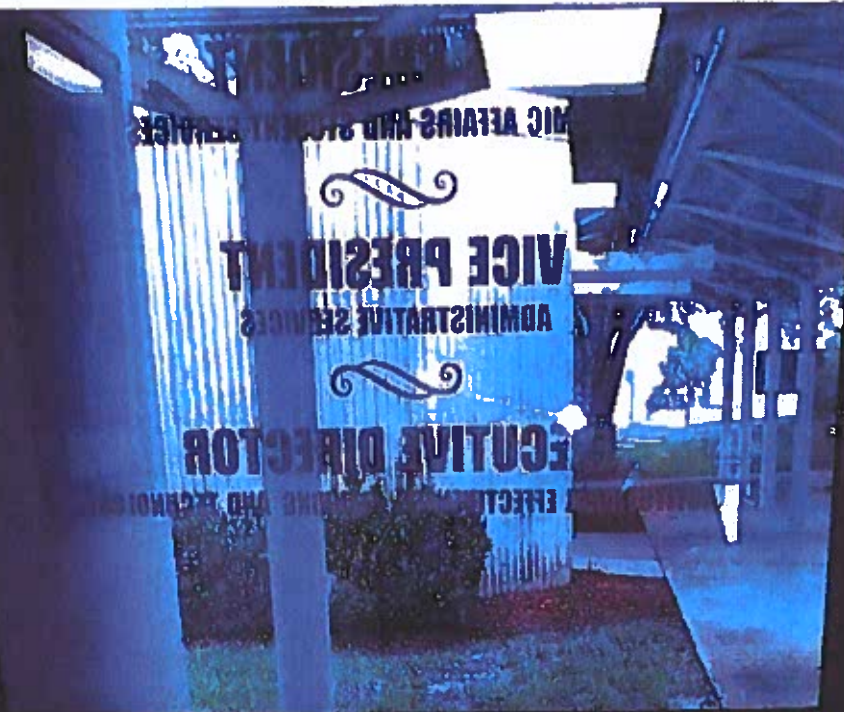

Type E – single door, deadbolt

Type F - dbl. door, deadbolt, no mullion

Type G- dbl. door, flat panel panic hardware

PUSH

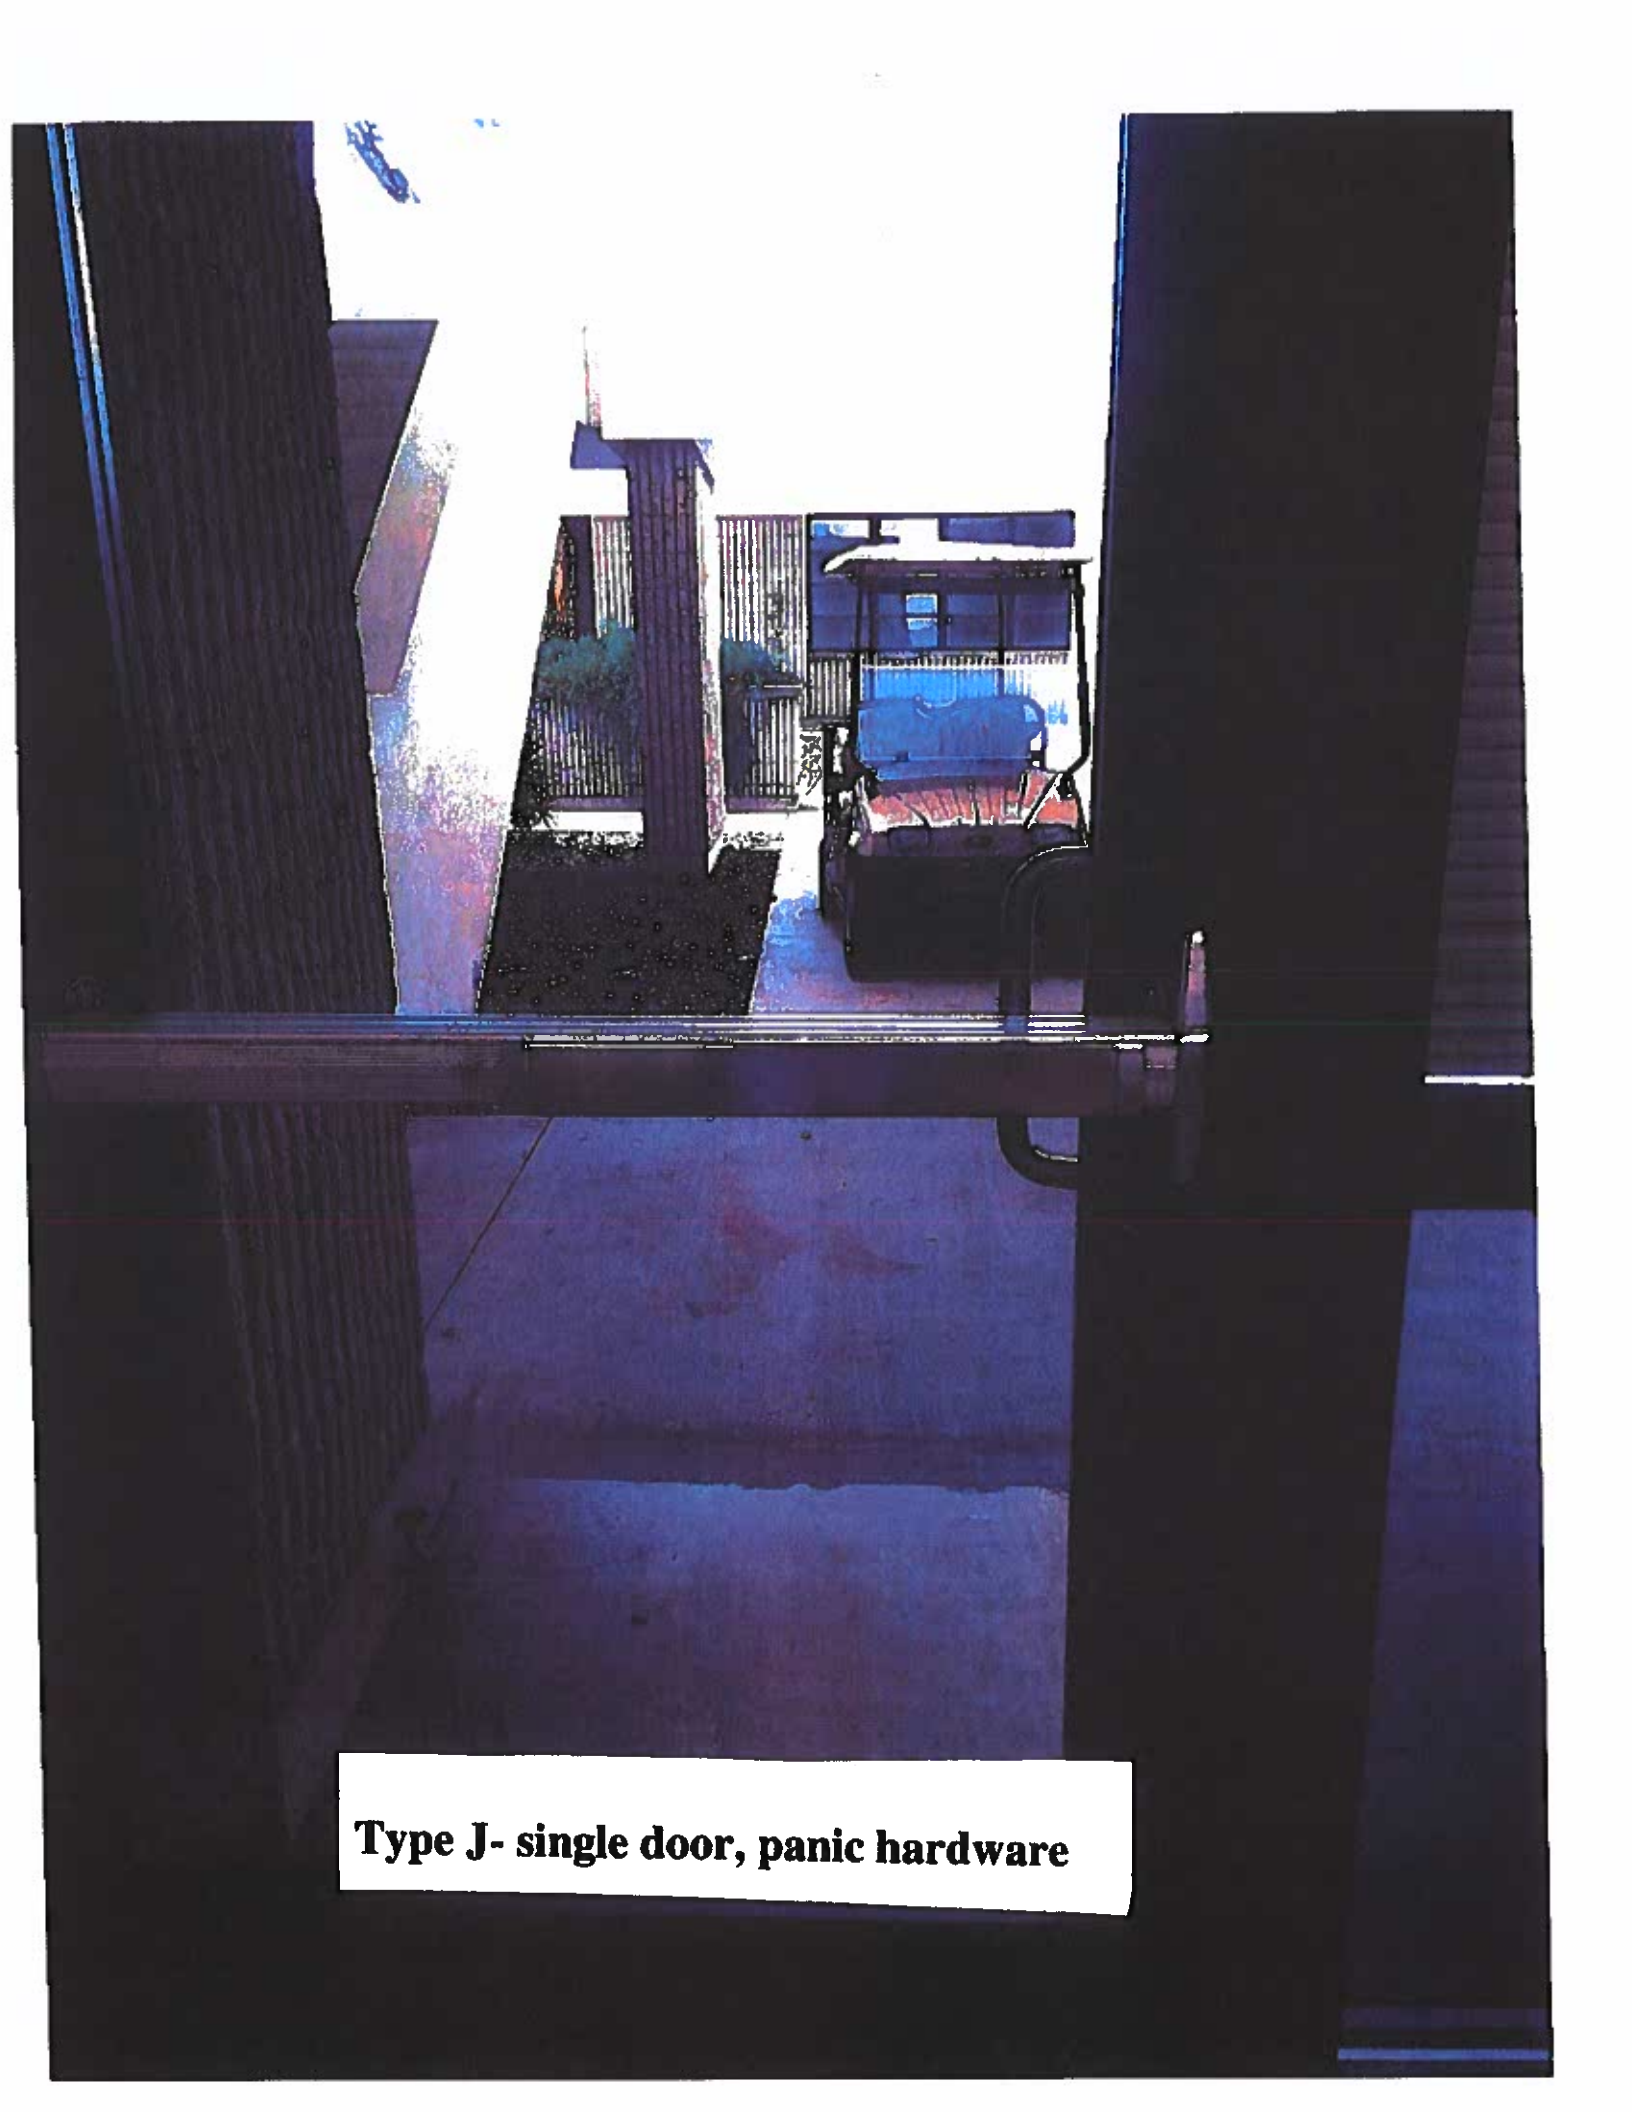

Type GS- single door, flat panel panic hardware

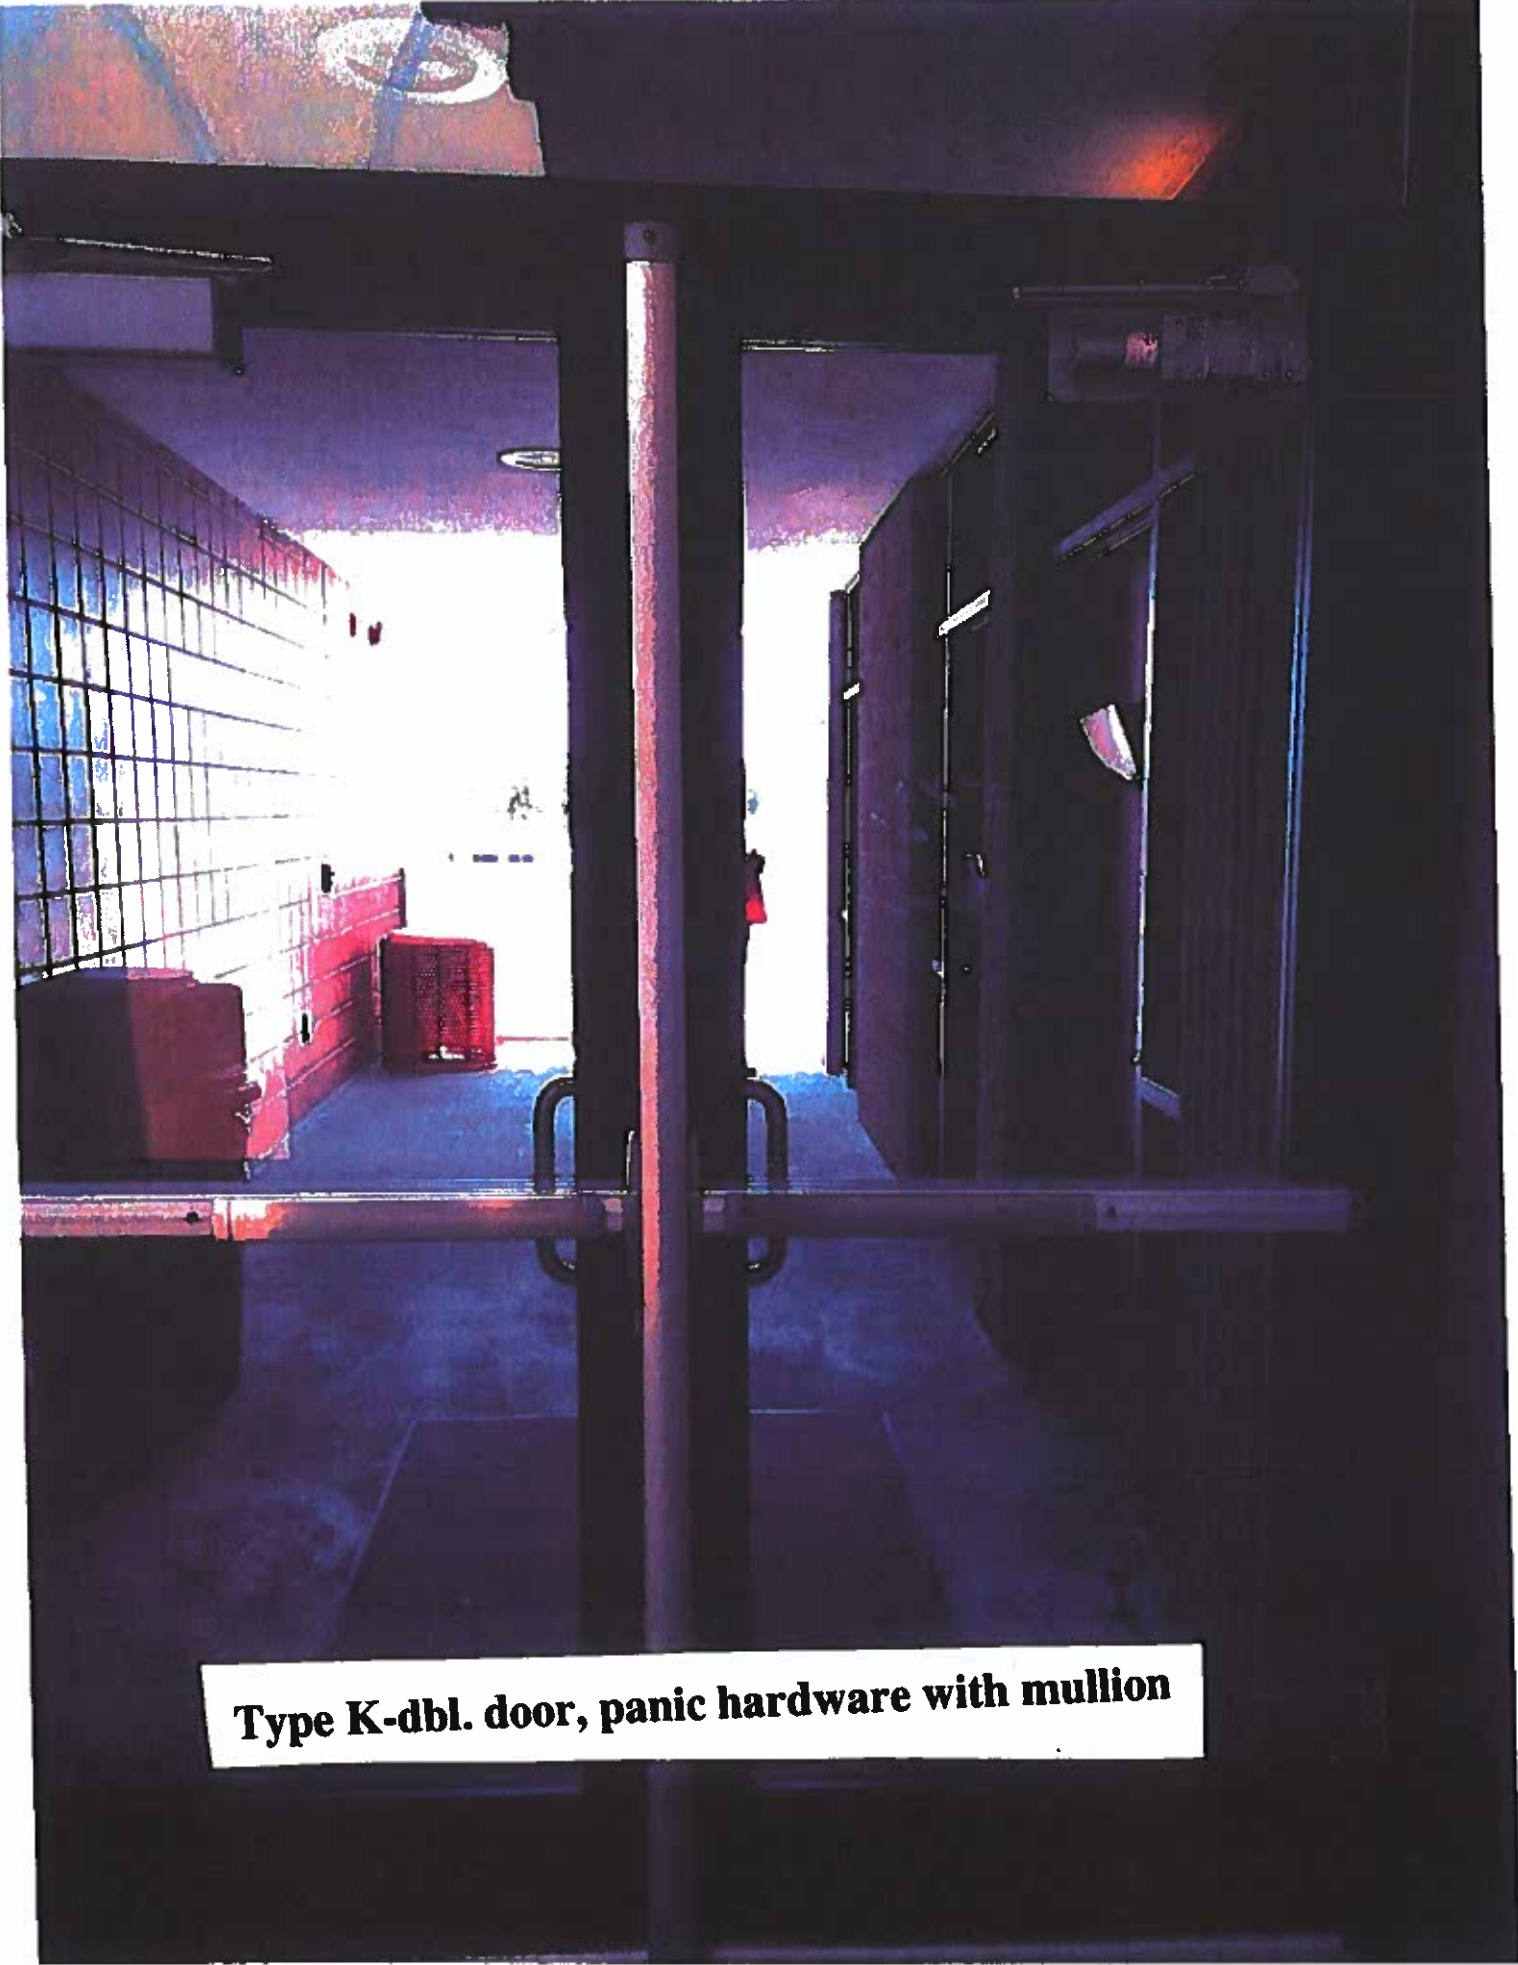

Type H- dbl. door, panic hardware surface mounted rods

DOOR

Type I- Single door, panic hardware

Type J- single door, panic hardware

Type K-dbl. door, panic hardware with mullion

Type L double door, no mullion
