South Florida State College

Bachelor of Science in Elementary Education

Procedure for Non-Degree Seeking Students

Students seeking to transfer into the SFSC BSEE program may register for five courses in a fall term on a one-time basis. Non-degree seeking students are not eligible to receive financial aid and/or scholarships.

Students must meet all the following criteria to be eligible for non-degree seeking one time provision:

1. Complete EDF 1005 with a grade of C or better.
2. Complete Associate in Arts degree from accredited or equivalent college or university.
3. Complete the Watermark EPA Survey.
4. Earn a GPA of 2.5 or higher.
5. Pass three of the four sections of the GKT.
6. Complete a minimum of two attempts on the missing section of the GKT.
7. Missing section is less than ten points from a passing score on GKT missing section.

Students who met criteria for non-degree seeking provision must agree to comply with the following requirements:

1. Attend GKT prep workshops or courses offered by SFSC.
2. Practice the GKT Competencies using the PLATO program and SFSC Tutors in SFSC Tutoring Center.
3. Complete the Learning Liaisons.com or NAVAEd.com online GKT workshops.
4. Complete an additional college course as deemed necessary by BSEE Advisor.
5. Register to take the missing GKT section in the Fall term.
