## INTRODUCTION

The 2019-20 Salary Schedule for South Florida State College personnel immediately follows this introduction. It is divided into six sections, in the following employee classification sequence:

1) Career Service, 2) Professional Staff, 3) Part-Time, 4) Faculty, 5) Administrative, and 6) Salary Supplements (stipends).

Employees hired prior to February 1<sup>st</sup> and whose performance evaluations are satisfactory will be eligible for regular across-the-board increases as approved by the District Board of Trustees and in accordance with the current salary schedule. Increases typically become effective July 1<sup>st</sup> for staff and at the beginning of the new academic year for faculty. Upon recommendation of the President and at the discretion of the District Board of Trustees, a non-recurring salary increase to all eligible employees may be awarded at any time during the fiscal year (July 1 through June 30), contingent upon available funds. This non-recurring salary increase may be in addition to or in lieu of a regular salary increase.

In order to maintain a competitive salary schedule, an in-depth salary study is conducted periodically within the market area for positions in each classification. The study is reviewed by a committee appointed by the President to make recommendations for any needed adjustments in minimum and maximum salary levels. Adjustments to the salary schedule are contingent upon approval by the District Board of Trustees and may be phased in over multiple years as funding permits.

Requests for new positions, classification changes, and level changes must be submitted to the Director, Human Resources on the South Florida State College "Position Request" form. The request must include justification and a current or proposed position description. The Director, Human Resources will review the request and recommend a salary level in accordance with the Salary Schedule to the appropriate Executive Administrator.

Individuals preparing grant proposals will be responsible for obtaining from the Director, Human Resources the salary ranges applicable to the positions included in the grant proposal. These salary figures will then be used in the preparation of the budget for the grant. See Procedure 5142.

## CAREER SERVICE EMPLOYEES

Positions within this classification are eligible for overtime compensation and require limited educational attainment and/or managerial skills. Positions are assigned to one of four levels, depending upon the relative complexity and level of responsibility of the tasks involved.

Initial Salary Determination: Full-time employees are initially assigned to a salary within the appropriate level based upon the following criteria:

1. The minimum salary within the level is the base salary for the position.
2. Two percent may be granted for each year of relevant full-time work experience, up to a maximum of six (6) years or twelve percent above the base salary for the position.
3. A higher salary may be granted for unusual expertise, skill, or value to the College at the discretion of the President.

Salary Adjustments: Salary adjustments will be considered in accordance with Administrative Procedure 5080. Area administrators may recommend a current employee to be assigned to a different level and/or salary based upon a significant change in job responsibilities using the "Position Request" form. Such recommendations will be reviewed by the Director of Human Resources and forwarded to the appropriate Executive Administrator for approval. Also, employees receiving satisfactory or above satisfactory ratings on their annual evaluations are eligible for an annual increase in salary in those years in which an increase is awarded, if the current salary plus raise does not exceed the maximum salary for their position's classification level.

Positions and Salary Ranges: Positions established within the four basic Career Service classifications include those listed on the next page. Newly established positions will be assigned to the appropriate level as recommended by the Director of Human Resources and approved by the appropriate Executive Administrator. An employee's salary (exclusive of overtime and stipend pay) may not exceed the maximum salary assigned to the level within which his/her position is classified.

The Career Service Employee Salary Schedule is based on 12-month, year-round employment. Salaries for positions established for fewer than 12 months will be calculated by deducting 1/12<sup>th</sup> of the appropriate salary level for each month fewer than 12.
