SFSC Criminal Justice Academy

Course Instructors: Joe Marble and Mike Huften

This CJSTC-approved, specialized instructor course is designed to provide an overview of changes made to the Florida Basic Recruit Training Program: High Liability Defensive Tactics and the *new* Advanced Defensive Tactics course. To be eligible to attend, you must currently be a CJSTC-certified Defensive Tactics Instructor. This course is competency-based, meaning that the course may be completed in less than the total course hours if enough time is given for all objectives, content, exercises, and exams. Students enrolled in a Specialized Instructor Course must achieve a passing score of at least 85% on the written end-of-course exam on the first attempt. This course can be applied toward mandatory retraining but **not** salary incentive. Class size is limited (16 spots); to reserve a spot, mail, fax, email, or drop off a department authorization form to the SFSC Criminal Justice Academy.
