

OFFICE OF THE PRESIDENT

Item 5.3.2

PRESENT TO BOARD: JUNE 24, 2020

TO: SOUTH FLORIDA STATE COLLEGE
DISTRICT BOARD OF TRUSTEES

FROM: THOMAS C. LEITZEL 

SUBJECT: ARTICULATION AGREEMENT – WARNER UNIVERSITY

Approval is requested to enter into a new articulation agreement between Warner University and South Florida State College for the purpose of establishing a collaborative agreement which allows Associate of Science (AS) in Landscape and Horticulture program graduates to transfer into Bachelor of Science in Agricultural Studies. The contract renews annually.

SUGGESTED MOTION:

Move to approve the new agreement between Warner University and South Florida State College as presented.

Articulation Agreement

WARNER UNIVERSITY

AND

I. Purpose

The purpose of this Articulation Agreement (the “Agreement”) is to establish collaboration between Warner University and South Florida State College to facilitate the transfer and degree completion of students successfully earning the appropriate pre-requisite credits at South Florida State College for transfer to Warner University.

This agreement provides a systematic plan for students to continue their higher education beyond the A.S. degree in Landscape and Horticulture Technology from South Florida State College. The following general principles guide the operation of this agreement.

II. Admissions

Students from South Florida State College will be admitted to Warner University under the terms of this agreement provided they meet the following requirements:

- Successfully complete the Associate of Science in Landscape and Horticulture Technology;
- Maintain an overall GPA of 2.5 or better;
- Successfully complete the course of study outlined in Addendum 1 of this Agreement; and
- Successfully complete their tenure at SFSC with no serious or repeated student conduct violations.

III. Acceptance of Credits

All credits completed according to the terms in Section II and in alignment with the program of study outlined in Addendum 1 will be accepted for credit toward the baccalaureate program in Agricultural Studies at Warner University.

IV. Applicability

The terms of this agreement apply to students seeking entry in the following programs at Warner University:

- Bachelor of science in Agricultural Studies

V. Scholarships and Financial Aid

Students admitted under this agreement would be eligible for aid under the same conditions as continuing Warner University students.

VI. Promotion/Outreach

- Warner University and South Florida State College agree to publicize this agreement via, but not limited to, marketing materials and information sessions.
- Warner University and South Florida State College agree to collaborate to ensure successful transfer day visits and advising sessions.

VII. Monitor/Review

- Both parties agree to monitor the performance of this agreement and to revise it as necessary.
- Warner University will establish a mechanism to provide information, on at least an annual basis, on the academic progress of the SFSC student enrolled as a result of this agreement, including but not limited to statistical data compiled from non-specific student information.
- Both partner institutions agree to communicate program changes in a timely manner to avoid disruption to student progress toward degree completion.

VIII. Termination

The agreement may be terminated by either party for due cause or after adequate notice to the other. Termination of the agreement will not affect any students currently enrolled in their second semester at SFSC in the defined program-track(s) leading to transfer at the time of termination, and they shall be allowed to transfer credits pursuant to this agreement.

IX. Effective Date

This agreement is in effect as of the date of the academic term in which it is signed.

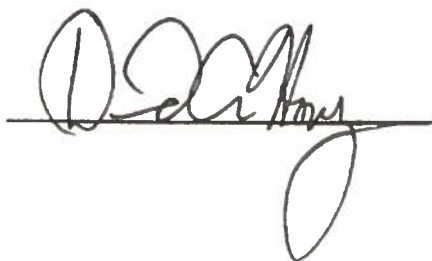

Signatures

IN WITNESS THEREOF, the parties hereto have executed or approved this AGREEMENT on the date entered below.
