

South Florida State College COVID-19 Athletic Plan Summary

Spectators

The College will not host home events for fall term other than one volleyball scrimmage. Teams traveling will be required to have a temperature screening prior to departing and will report the findings to the host athletic director. Temperature checks will also be implemented as spectators enter the facility. The spectators will be required to wear face masks and maintain social distancing. Social distancing guidelines of six feet of spacing for anyone not in the same household will be mandated. There will be one entrance and one exit when attending events in the gymnasium. There will be no concessions sold at any event.

Participants - Staff and Students

Temperature checks will be required when entering facilities. Participants with temperatures over 100.4 will be sent home. Face masks are required unless participating in a match/game. They are also required in the weight rooms, cardio rooms, and training rooms. Social distancing will be maintained when not practicing or competing in a match/game. Equipment will be sanitized regularly and after each use. Locker rooms will be grouped for staggered use to maintain social distancing as much as possible. Sport teams will arrive and leave at scheduled times to avoid overlapping. This will allow for adequate time to sanitize the facility. Participants will bring their own water/drinks. During down time, no one should congregate. SFSC screening questionnaire will be sent to all teams, bus drivers, and officials traveling to the facility

Officials

Temperature checks will be required. Face masks will be required unless game/event is in progress. Hand sanitizer will be readily available at the scorer's table for officials and are located on walls throughout the facility. Baseball/Softball officials will be provided sanitizer at the athletic fields.

Game Staff - Score table, PA, etc.

All game staff will be required to have their temperature check when entering athletic facilities. Face masks will be required and social distancing guidelines will be in effect. Hand sanitizer and equipment disinfectants will be available at the score table. Game staff must bring their own drinks. The staff/score table will be social distanced, as well as all bench/player chairs. The athletic trainer will be in a mask and will wear gloves where appropriate.

Response Plan Summary

**See Addendum for SF operating guidelines
