**Civic Literacy Requirement** – All students seeking an associate or baccalaureate degree must meet the Florida Civic Literacy Requirement which includes the completion of one of the following courses: AMH 1010, AMH 1020, or POS 1041 and a passing score on the Florida Civic Literacy Exam (FCLE).

**Foreign Language Requirement** – To earn the Associate in Arts, students must have completed two years of the same foreign language in high school or complete two semesters of the same foreign language in college.

### Program Description

This certificate program prepares you for employment as a health service supervisor, health service manager, or to provide you with supplemental training in a previous or current health occupation. You will learn leadership and supervisory skills, laws and regulations pertaining to healthcare facilities and agencies, organizational structure of healthcare facilities, budgeting, and fiscal management, making employee assignments and scheduling, legal aspects of healthcare, health and safety including CPR and employability skills. Program credits articulate directly into the A.S. degree in Health Services Management (Program #1770).

Length: 27 credit hours

### Pre-Degree Requirements
