

Nursing Department Student Reference Form

Please submit ONLY three (3) **professional references** from the following (if applicable): employer, instructor, or other. Personal references from family or friends will NOT be accepted. Your references should be from three people who can speak to your education history, scholarly capabilities, clinical interests, and overall characteristics.

Applicant should complete the top portion of this form and then forward this form to the person making the reference. **Applicant may collect the letter in sealed envelope with the reference's signature across the flap, or the reference can be mailed directly to the SFSC Health Sciences Admissions:**
