

Military Waiver Steps

The below policy guides South Florida State College in applying the military waiver for eligible students:

- Step 1:** Students must complete the SFSC (South Florida State College) online application and pay any fees associated with the application.
- Step 2:** Students receiving any military or VA benefits must self identify with our Veterans advisor.
- Step 3:** Students must complete Military out of state waiver and include any supporting documents along with the form.
- Step 4:** All documents must be submitted to the registrar's office for a determination whether the waiver will be approved or denied.
- Step 5:** If approved students are notified and their registration status is updated to reflect waiver.
