## INDEPENDENT AUDITORS' REPORT

To the Board of Directors of  
South Florida State College Foundation, Inc.

### Report on the Financial Statements

We have audited the accompanying financial statements of South Florida State College Foundation, Inc. (a nonprofit corporation), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors (continued)

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of South Florida State College Foundation, Inc. as of December 31, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Other Matters**

***Report on Summarized Comparative Information***

We have previously audited the South Florida State College Foundation, Inc.'s 2019 financial statements, and we expressed an unmodified opinion on those audited financial statements in our report dated May 12, 2020. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2019, is consistent, in all material respects, with the audited financial statements from which it has been derived.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated May 18, 2021, on our consideration of South Florida State College Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of South Florida State College Foundation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering South Florida State College Foundation's internal control over financial reporting and compliance.

**NOTES TO THE FINANCIAL STATEMENTS**  
**DECEMBER 31, 2020**  
**WITH COMPARATIVE INFORMATION FOR DECEMBER 31, 2019**

**NOTE 1 - NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

**NATURE OF ORGANIZATION:**

The South Florida State College Foundation, Inc. (the "Foundation") was established in 1984 as a Florida nonprofit corporation. The purpose of the Foundation is to assist South Florida State College (the "College") in the delivery of educational services to the citizens of Highlands, Hardee, and DeSoto counties. The Foundation is predominantly supported by public contributions, but also collects rent from the rental of dorm rooms and other property rentals.

**SIGNIFICANT ACCOUNTING POLICIES:**

**Basis of Accounting:** The financial statements of the South Florida State College Foundation, Inc. have been prepared in conformity with accounting principles generally accepted in the United States of America, and accordingly are prepared on the accrual basis of accounting and reflect all significant receivables, payables, and other liabilities.

The financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958 dated August 2016. Accordingly, the net assets of the Foundation and changes therein are classified and reported as follows:

- **Without donor restrictions** – Net assets available for use in general operations and not subject to donor or grantor restrictions, including, if applicable, net assets that have been designated by the Board of Directors for expenditure on specific purposes or projects.
- **With donor restrictions** – Net assets subject to restrictions imposed by donors or grantors. Some donor-imposed restrictions are temporary in nature; such as those that will be met by the passage of time and/or actions of the Foundation. Other donor-imposed restrictions are perpetual in nature, where by the donor stipulates that resources be maintained in perpetuity. Generally, the Foundation is permitted to use or expend part or all of the income and gains derived from the donated assets, restricted only by the donors' wishes. Expirations of donor restrictions recognized on net assets (i.e., the donor stipulated purpose has been fulfilled and/or the stipulated time-period has elapsed) are reported as reclassifications from net assets with donor restrictions to net assets without donor restrictions. Donor restrictions on gifts to acquire long-lived assets are considered met in the period in which the assets are acquired or placed in service.

The statement of activities presents the changes in net assets of the Foundation for the two fund types while demonstrating activity within various classifications of revenue and expenditures by program.

**Cash and Cash Equivalents:** Cash and cash equivalents include all unrestricted monies in banks and highly liquid investments with maturity dates of three months or less when purchased, including money market funds. Cash and cash equivalents restricted for long term purposes or received with donor imposed restrictions limiting their use to long term purposes are not considered cash and cash equivalents for purposes of the statement of cash flows.

**DECEMBER 31, 2020**  
**WITH COMPARATIVE INFORMATION FOR DECEMBER 31, 2019**

**NOTE 1 - NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (continued)**

**Investments:** The Foundation invests in various types of investment securities, which are stated at fair value. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the accompanying financial statements.

The Foundation uses various valuation techniques in determining fair value. Accounting Standards Codification (ASC) Section 820 establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that observable inputs be used when available. Observable inputs are inputs that market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the Foundation. Unobservable inputs are inputs that reflect the Foundation's assumptions about estimates utilized by market participants in pricing the asset or liability, based on the best information available in the circumstances. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- **Level 1** – Valuations are based on quoted prices in active markets for identical assets or liabilities that the Foundation has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation does not entail a significant degree of judgment.
- **Level 2** – Valuations are based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- **Level 3** – Valuations are based on inputs that are unobservable and significant to the overall fair value measurement.

Net realized and unrealized gains/losses are recorded as revenue or expense and included in the Statement of Activities as investment income. Investment expenses are included in the management and general line item on the Statement of Activities. Unrestricted and restricted assets are pooled together for investment purposes in order to maximize investment return.

**Accounts Receivable:** The Foundation has reported \$56,580 as accounts receivable as of December 31, 2020. The Foundation has reported \$500, as restricted accounts receivable as of December 31, 2020. All receivables are considered fully collectible.

**Prepaid Expenses:** Prepaid expenses consist of insurance payments that will benefit a future period.

**NOTE 1 - NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (continued)**

**Property and Equipment:** The Foundation capitalizes expenditures in excess of \$25,000 for building improvements and \$5,000 for equipment with an estimated useful life of one year or more. Purchased property and equipment are carried at cost. Donated property and equipment are recorded at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, which are as follows:

Buildings and improvements.....	10 to 40 years
Equipment, furniture, and fixtures .....	5 to 10 years

**Contributions:** All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as increases to net assets "with donor restrictions" in the statement of activities. When a restriction expires or is satisfied, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as net assets without donor restrictions support. Endowment returns are credited to the net assets with donor restrictions fund where they are available for expenditure in accordance with grantor provisions and the Foundation's spending policy. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met. Advance payments on conditional promises to give are recorded as refundable advances in the statement of financial position until the conditions are met.

**Endowment Management:** FASB *Accounting Standards Codification 958-205, Endowments of Not-for-Profit Organizations*, provides guidance on the net asset classification of donor-restricted endowment funds for a not-for-profit organization that is subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act of 2006 (UPMIFA). FASB *Accounting Standards Codification 958-205* also improves disclosures about an organization's endowment fund (both donor restricted endowment funds and board designated endowment funds) whether or not the organization is subject to UPMIFA. The State of Florida has signed into law the Florida Uniform Prudent Management of Institutional Funds Act (FUPMIFA).

The Foundation is governed subject to the *Governing Documents for the Foundation*. The Board of Directors, on the advice of legal counsel, has determined that the majority of the Foundation's contributions are subject to the terms of the *Governing Documents*. Certain contributions are received subject to other gift instruments, or are subject to specific agreements with the Foundation.

Under the terms of the *Governing Documents*, the Board of Directors has the ability to distribute as much of the corpus of any trust or separate gift, devise, bequest, or fund as the board in its sole discretion shall determine unless donor restricted. As a result of the ability to distribute corpus, all contributions not classified as net assets with donor restrictions are classified as net assets without donor restrictions for financial statement purposes. Net assets with donor restrictions represent the fair value of the original gift as of the gift date and the original value of subsequent gifts to donor-restricted endowment funds.

**DECEMBER 31, 2020**  
**WITH COMPARATIVE INFORMATION FOR DECEMBER 31, 2019**

**NOTE 1 - NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (continued)**

*Return Objectives and Risk Parameters.* The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include assets that are donor-restricted funds that the organization must hold in perpetuity or for a donor-specified period(s). Under this policy approved by the Foundation Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of the spending policy while assuming a moderate level of investment risk. The Foundation expects its endowment funds, over time to provide an average rate of return of approximately 6 - 8 percent annually. Actual returns in any given year may vary from this amount.

Spendable portions of endowments are recorded in the net assets without donor restrictions while the non-spendable portions of endowments are recorded in the net assets with donor restrictions funds. Spendable portions of endowments are invested and are subject to market risk. In the event that the market value of any endowment becomes less than its historic dollar value, spending is halted until such time as the market value exceeds the historic dollar value.

*Strategies Employed for Achieving Objectives.* To satisfy its long-term rate of return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation targets a diversified asset allocation that places greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

*Spending Policy and How the Investment Objectives Relate to Spending Policy.* The Foundation has a policy of appropriating for distribution each year 4 percent of its endowment fund's average fair value over the prior 12 quarters through the calendar year end preceding the fiscal year in which the distribution is planned. In establishing this policy, the Foundation considered the long-term expected return on its endowment. Accordingly, over the long-term, the Foundation expects the current spending policy to allow its endowment to grow at an average of 2 percent annually. This is consistent with the Foundation's objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment return.

**Donated Services:** Donated services are recognized as contributions in accordance with FASB *Accounting Standards Codification 958-605-25-16, Revenue Recognition – Contributed Services*. One of the following criteria must be satisfied in order to record donated services: the donated services must create or enhance nonfinancial assets of the Foundation, or the donated services must require specialized skills that the Foundation would otherwise need to purchase and be performed by individuals possessing those skills.

The Foundation recorded \$176,046 of donated services during the fiscal year for the value of payroll and benefit costs for the Foundation and accounting support staff paid for by the College.

**NOTE 1 - NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (continued)**

**Income Taxes:** South Florida State College Foundation, Inc. is exempt from income taxes under Section 501 (c) (3) of the Internal Revenue Code, and is other than a private foundation. In addition, the State of Florida has granted the Foundation tax-exempt corporate status.

**Estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Functional Allocation of Expenses:** The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Directly identifiable expenses are charged to program and supporting services. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Foundation. Certain categories of expenses are attributable to both program services and supporting services. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include depreciation, which is allocated on a square-footage basis, as well as administrative allowance and contributed services, which are allocated based on estimates of time and effort.

**Subsequent Events:** Subsequent events have been evaluated through May 18, 2021, the date on which the financial statements were available to be issued.

## INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors of  
South Florida State College Foundation, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of South Florida State College Foundation, Inc. (a nonprofit corporation), which comprise the statement of financial position as of December 31, 2020, and the related statement of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 18, 2021.

### Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered South Florida State College Foundation, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the South Florida State College Foundation, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## Board of Directors (continued)

### Compliance and Other Matters

As part of obtaining reasonable assurance about whether South Florida State College Foundation, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### Purpose of this Report

This purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Foundation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
