

Child Sex Crimes Investigations

Advance Course #1171

40 Hours

April 15–26, 2024

Monday–Friday, 6-10 p.m.

SFSC Criminal Justice Academy

To register, contact the Admissions Office at 863-784-7405.

This course is designed to provide students with the skills to investigate child sex abuse cases effectively. Students will learn skills associated with the recognition of child sexual abuse, collecting evidence, corroborating evidence, note taking and report writing, interviewing the suspect, and preparing for a successful prosecution. For more information, contact Coordinator Joseph Marble.
