If you are enrolled in one of the department’s training courses, and you have paid all course fees, you **must** register online through your Child Care Training Transcript, which is available at [www.myflfamilies.com/childcare](http://www.myflfamilies.com/childcare). Select “Training and Registry Login” link to log in. Once you have logged onto your record, select the “Competency Exam Enroll” option from the Personal Menu OR, if you are scheduling an exam without enrolling in a course (exemption exam), you **must** register for your exam(s) through the Child Care Training Information Center (CCTIC): **1-888-FL CCTIC (1-888-352-2842)** between the hours of 8am-5pm (EST) Monday-Friday.

**Confirmation Letter**

After registering for your exam(s), a confirmation letter is available at your Child Care Training Student Record. Select “My Student Information” option from the Personal Menu – Select “My Confirmations” tab to view and print exam confirmations.

It is important to print a copy of the confirmation letter because it includes the names of the exams you are registered for; location and directions to the exam site; date, time, and cost of the exam(s); how early to arrive at the exam site; payment instructions and the cancellation policy.

Review this information carefully, if you need to make any changes, you must do so at least 7 days prior to the exam.

**Admission to the Exam Site**

You must be registered for each Child Care Training Exam you want to take in order to be allowed entry into the exam site. Individuals are not allowed in the exam room unless they have been registered for an exam on that date and time at that specific exam site.

You should arrive at the exam site early and according to your confirmation letter. If you arrive late you will not be permitted to enter the exam site or to take your exam on that date. In addition, you will have to reschedule the exam through the Child Care Training Information Center (1-888-352-2842).

Bring the following items with you to the exam site:

- **Required:** Legal form of photo identification, (e.g. driver’s license, passport, or student identification card). You are not permitted to bring any people or personal items into the exam area other than those specified above. Please see your exam confirmation letter for specific instructions for your scheduled exam session.
