Camp Adventure Registration Form (continued)

Weekly Theme Information

Camp Adventure

(Regardless of age - child must have completed any grade Kindergarten – 5th as of May 25, 2018)

<input type="radio"/> June 11 – 15 CRN 30142	<p>Week #1 – Are You Smarter than a Camper?</p> <p>Kids love competition and this week it’s all about that. Each day campers will be in “training,” learning fun facts and trivia in preparation for the big day. Friends and family are invited to come and cheer for their favorite team as we host Camp Adventure’s first ever “game show” on Thursday, June 14. Don’t forget to mark your calendars because you will not want to miss this epic competition between our very own campers and SFSC employee’s as they battle to see if they, are smarter than a camper.</p>
<input type="radio"/> June 18 – 22 CRN 30143	<p>Week #2 – Mad Scientists</p> <p>Science week is all about learning and experimenting. Campers will be learning about several famous scientists and what they brought to the science community. We will be doing science experiments small and large as campers get the opportunity to better understand what is happening within their experiments. Along with the rest of science week we will end the week off with a day dedicated to space and the exploration of it. To top it off we will take a trip to a science museum on Friday allowing campers to see science in action in the real world.</p>
<input type="radio"/> June 25 – 29 CRN 30144	<p>Week #3 – Explore Art and Express Yourself</p> <p>Campers will be touring the College’s art department and MOFAC museum as well as watching demos and speaking with art teachers from around the county. They will also be taking part in a number of individual and group art projects learning the basics and getting the freedom to express themselves through their own art.</p>
<input type="radio"/> July 9 – 13 CRN 30145	<p>Week #4 – Playing With Your Food (Agriculture)</p> <p>Ag week will allow campers to learn what agriculture is, what it consists of, and how they can get involved. Campers will be able to get down and dirty to experience the meaning of “farm to table” firsthand, as well as, learning about the FFA programs which they will be eligible to join when in middle school. Campers will have encounters with animals and lots of fun as the week comes to an end with a fun field trip to a farm and dairy on Friday.</p>
<input type="radio"/> July 16 – 20 CRN 30146	<p>Week # 5 – Snack Attack</p> <p>This week is all about food. Campers will be making easy to make treats and snacks throughout the week, as well as, learning the importance of good health and nutrition. Campers will see who has the best senses based on smell, taste, or touch by taking part in blindfolded food tests.</p>
<input type="radio"/> July 23 – 27 CRN 30147	<p>Week #6 – That’s A Wrap, Let’s Celebrate!</p> <p>As the summer comes to an end we will be celebrating all of the fun we have had this summer and all the fun they will have as they go into the next school year. It’s the last week of camp and we are going to celebrate Camp Adventure style with wacky dress up throughout the week and even wackier games to play. Friday we’ll have our traditional sundae bar, pizza party and water fun all day long (Parents are encouraged to send in an item to share).</p>
