# Schedule for Health and Public Safety

## Nursing Assistant - \$1,696.10\*

\*Includes tuition, lab supplies, fees, uniforms, and CNA pack. Additional fees required: books \$217.85, CPR training \$65, non-refundable background fee \$55.32, and non-refundable drug screening \$36.99.

Subject	Program ID	Campus	Building	Room	CRN	Dates	Days	Time
VHZ	0505	Highlands	UC	108	33877	May 8—July 9, 2024	M, T, W, Sunday	5:30—9 p.m. M, T, W 7 a.m.—3:30 p.m. Sunday

Nursing assistants must demonstrate a minimum competency to read and write and successfully pass the required background screening. Nursing assistants work under the supervision of a licensed practical nurse (LPN) or registered nurse (RN) to assist patients with personal care, maintaining mobility, nutrition and hydration, toileting and elimination, take vital signs and record them, perform CPR if needed, putting on and taking off assistive devices, collecting and recording basic patient data in a digital database. They are responsible for reporting any abnormal signs and symptoms, postmortem care, patient socialization and reality orientation, end-of-life care, cardiopulmonary resuscitation and emergency care. Nursing Assistants are employed by outpatient clinics, hospitals, and long-term care facilities. Upon successful completion of this course, you will earn the 90-hours of Introduction to Health Care and 75-hours of Nursing Assistant, thus acquiring technical and academic knowledge needed for taking the state certification exam, employability, and for further education advancement in Health Science careers.

There is a 2-tier eligibility process. Tier 1 consists of a physical, immunization/titers, medical standards and student/family health history background. After completing and returning ALL of these medical requirement forms to the program specialist, then as part of Tier 2, you must submit to a background check/fingerprinting and a drug screening. Students are responsible for the cost of drug screening, medical exams, and immunizations. Must be at least 18 years of age. **CPR is required for this course. Dates and location of next CPR course are on page two of this schedule. You must pre-register for the CPR course by calling 863-784-7405. Cost for CPR course is \$65.**

To access the forms to begin the enrollment process in the nursing assistant program, visit [www.southflorida.edu/nursingassistant](http://www.southflorida.edu/nursingassistant). For more information, call 863-784-7034.

## IV Therapy - \$325

Subject	Program ID	Campus	Building	Room	CRN	Dates	Days	Time
VHZ	0604	Highlands	HSC	0104	12352	August 7-11, 2023	M-F	M-R 9 a.m. - 4 p.m.;
VHZ	0604	Highlands	HSC	0104	33898	May 27—31, 2024	M-F	M-R 9 a.m. - 4 p.m.;

This training program is recommended for LPNs who wish to fulfill the State of Florida 30-hour requirement for IV therapy training (following Board of Nursing rules as outlined in Chapter 64B9-12.005). This course is recognized by the Florida Board of Nursing and complies with all requirements regarding the LPN performance procedures for intravenous therapy. \*Course prerequisite: Must be a licensed practical nurse (LPN) or a recent practical nurse graduate. Purchase of course book required for class. Course book title: Phillip's Manual of I.V. Therapeutics: Evidence-Based Practice for Infusion Therapy, 8th Edition. To register, call 863-784-7405.

## Dental

### Local Anesthesia Administration for Dental Hygienists - \$1,000

DHZ-0003

Subject	Program ID	Campus	Building	Room	CRN	Dates	Day and Times
CHZ	0003	Hybrid	T1	0108		Call 863-784-7032	Varies

Certification course for licensed Florida dental hygienists. This 60-contact hour course was designed to meet the requirements outlined by Florida Statute 466.017 for Administration of local anesthesia by dental hygienists. 30-hour online didactic component, 14-hour observation component, and 16-hour evening clinical component. Prerequisites: Copy of current Florida dental hygiene license, current CPR/BLS certification and purchase course book: Local Anesthesia for Dental Professional ISBN: 9780323073714. Clinicals are required attendance at the Highlands campus in Building T1, Room 108. Clinical hours to be announced. To register, call 863.784.7405.

# BLS/CPR and First Aid Training

## BLS/CPR - \$65

Subject	Program ID	Campus	Building	Room	CRN	Dates	Days	Time
CCZ	0507	Highlands	UC	108	25879	Jan. 23, 2024	T	1-5 p.m.
CCZ	0507	Lake Placid	300	302	25880	Feb. 3, 2024	S	8:30 a.m. - 12:30 p.m.
CCZ	0507	Highlands	UC	108	24836	Feb. 20, 2024	R	5 - 9 p.m.
CCZ	0507	DeSoto	A	119	25868	March 2, 2024	S	8:30 a.m. - 12:30 p.m.
CCZ	0507	Highlands	UC	108	25882	March 26, 2024	T	4—8 p.m.
CCZ	0507	Hardee	A	110	25870	April 6, 2024	S	8:30 a.m. - 12:30 p.m.

This course covers new or renewal training in Health Care Provider BLS (CPR and AED) through the American Heart Association by a certified BLS instructor and meets or exceeds the 2015 American Heart Association guidelines. Students will participate in simulated clinical scenarios and learning stations, skills practice, and skills testing. Students are required to complete and pass written exam. Upon successful completion of the course, participants will receive an email with a digital American Heart Association Course Completion Card attached. This card is valid for two years. To register, call **863-784-7405**.

## First Aid - \$60

Subject	Program ID	Campus	Building	Room	CRN	Dates	Days	Time
CCZ	0505					Call 863-784-7032		

Learn to identify and appropriately respond to various emergencies with first aid training. Immediate care for a victim can potentially reduce the damage caused by an injury until advanced medical personnel arrive and are able to take over. Our course provides general education in basic first aid techniques. You'll learn how to treat injuries such as: cuts, burns, broken bones, choking, heart attacks, strokes, bee stings, and anaphylactic shock. Upon successful completion of the course, participants will electronically receive an American Heart Association Course Completion Card valid for two years. To register, call **863-784-7405**.

# OSHA - Occupational Safety and Health Administration

## Occupational Safety and Health Administration (OSHA) 10-Hour General Industry - \$159

Subject	Program ID	Campus	Building	Room	CRN	Dates	Days	Time
TIZ	0014					Call 863-784-7008		

The OSHA outreach training program for general industry provides instruction for workers and employers on the recognition, avoidance, abatement, and prevention of safety and health hazards in the workplaces in general industry. Through this training, OSHA helps to ensure that workers are more knowledgeable about workplace hazards and their rights. For more information, call **863-784.7008**.

NOTE: This is a voluntary program and does not meet training requirements for any OSHA standards.

# Health Occupations

## Advanced Cardiac Life Support (ACLS) - \$125

Subject	Program ID	Campus	Building	Room	CRN	Dates	Days	Time
EMZ	0205	Highlands	Public Safety Academy	CC 101		Call 863-784-7278		

This American Heart Association course is designed for all health care workers. This course meets the requirements for license renewal and continuing medical education (CME). Participants will build upon the foundation of basic life support (BLS) skills, with an emphasis on high-quality CPR. This 16-hour advanced course highlights the importance of recognition and intervention with acute coronary syndromes (ACS), cardiac dysrhythmia, stroke, cardiac arrest, and immediate post-cardiac arrest. Students will participate in learning stations designed to instill the importance of team dynamics and communication. Participants are required to have the most recent edition of the American Heart Association Advanced Cardiovascular Life Support textbook (2015 Guidelines) and take the pre-test found in the front cover of the text. Upon successful completion of this course, participants will receive an email with a digital American Heart Association ACLS Card attached. This card is valid for two years. For more information, contact Chris Fowler at [Chris.Fowler@southflorida.edu](mailto:Chris.Fowler@southflorida.edu) or **863-784-7278**. To register, call **863-784-7405**.

## Advanced Cardiac Life Support (ACLS) Renewal Course - \$100

Subject	Program ID	Campus	Building	Room	CRN	Dates	Days	Time
EMZ	0107	Highlands	Public Safety Academy	CC 101		Call 863-784-7278		

This American Heart Association course is designed for all health care workers and meets the requirements for license renewal and continuing medical education (CME). Participants will build upon the foundation of basic life support (BLS) skills, with an emphasis on high-quality CPR. This 8-hour renewal course highlights the importance of recognition and intervention with acute coronary syndromes (ACS), cardiac dysrhythmia, stroke, cardiac arrest, and immediate post-cardiac arrest. Students will participate in learning stations designed to instill the importance of team dynamics and communication. Participants are required to have the most recent edition of the American Heart Association Advanced Cardiovascular Life Support textbook (2015 Guidelines) and take the pre-test found in the front cover of the text. Upon successful completion of this course, participants will receive an email with a digital American Heart Association ACLS Card attached. For more information, contact Chris Fowler at [Chris.Fowler@southflorida.edu](mailto:Chris.Fowler@southflorida.edu) or **863-784-7278**. To register, call **863-784-7405**.

## Pediatric Advanced Life Support (PALS) - \$125

Subject	Program ID	Campus	Building	Room	CRN	Dates	Days	Time
EMZ	0105	Highlands	Public Safety Academy	CC 101		Call 863-784-7278		

This American Heart Association course is designed for all health care workers who either direct or participate in the management of pediatric patients and meets the requirements for license renewal and continuing medical education (CME). Participants will build upon the foundation of basic life support (BLS) skills, with an emphasis on high-quality CPR. This 16-hour advanced course highlights the importance of recognition and management of respiratory and/or cardiovascular emergencies and cardiopulmonary arrest in pediatric patients. The students will participate in learning stations designed to instill the importance of team dynamics and communication. Participants are required to have the most recent edition of the American Heart Association Pediatric Advanced Life Support textbook (2015 Guidelines) and take the pre-test found in the front cover of the text. Upon successful completion of this course, participants will receive an email with a digital American Heart Association PALS Card attached. This card is valid for two years. To register, call **863-784-7405**.

## Pediatric Advanced Life Support (PALS) Renewal Course- \$75

Subject	Program ID	Campus	Building	Room	CRN	Dates	Days	Time

# PATH TO WELLNESS

EMPOWERING INDIVIDUALS TO TAKE CHARGE OF THEIR HEALTH

South Florida State College's path to wellness offers a variety of courses aimed at enhancing and supporting health through integrative healing therapies and wellness techniques.

Many people today experience ongoing pressure without fully understanding or recognizing it. The notion of being "crazy busy" is often seen as a badge of honor, but it can have detrimental effects on your well-being. In the **Self-Care** course, you will gain an understanding of self-care and its relationship to your overall health. You will also learn simple strategies to combat stress and its negative impact on your body, enabling you to create your own self-care routines.

The **Mindfulness Meditation** course teaches you how to recognize when stress is beneficial and when it becomes detrimental. You will explore the concept of mindfulness meditation and its ability to alleviate stress. The main focus is to empower you to make more skillful lifestyle choices that effectively reduce stress.

The **Holistic Healing** course delves into the mind-body connection and energy healing. It explores the principles of alternative, holistic, and integrative medicine, which have deep roots in various healing traditions spanning thousands of years. Learn about the benefits of combining the external, physical, and technological advancements of medicine with the internal, nonphysical exploration of healing.
