Photography

Photography - Classes start at \$99

SFSC offers an array of photography courses online. Explore digital photography, secrets of better photography, and mastering your digital camera. A new session of each course opens each month, allowing you to enroll whenever your busy schedule permits! How does it work? Once a session starts, two lessons will be released each week, for the six-week duration of your course. You will have access to all previously released lessons until the course ends. Keep in mind that the interactive discussion area for each lesson automatically closes 2 weeks after each lesson is released, so you're encouraged to complete each lesson within two weeks of its release.
