### Pre-Degree Requirements – Recommendations for Success

The A.S. degree in Office Administration is an open access program that will prepare you for employment in a variety of specialized technical fields that can help you accelerate your professional growth and keep pace with the changes in this field. To be admitted into the program you must meet the following criteria:

- You must have a standard high school diploma, a high school equivalency diploma (GED), or previously demonstrated competency in college credit postsecondary coursework.
- You may be required to take a placement test. The minimum scores are defined in the College Entrance Testing and Course Placement section of the College Catalog.
- You must submit an official transcript(s) or documentation of all coursework completed.

### Recommended Soft Skills

**Communication** – written or oral skills that allow you to express yourself effectively in the workplace

**Teamwork** - cooperative or coordinated effort on the part of a group of persons acting together as a team or in the interests of a common cause

**Time Management** - the process of organizing and planning how to divide your time between specific activities; working smarter not harder

**Adaptability** – the ability to embrace and roll with change

**Problem Solving** – the ability to use analytical and creative thinking to solve problems

**Interpersonal Skills** – the qualities and behaviors we exhibit when we interact with coworkers, management, and customers

**Work Ethic** – being responsible, punctual, meeting deadlines, and doing what you are getting paid to do
