Item 8.5

PRESENT TO BOARD: JUNE 21, 2023

TO: SOUTH FLORIDA STATE COLLEGE

DISTRICT BOARD OF TRUSTEES

FROM: THOMAS C. LEITZEL

SUBJECT: ANNUAL FACILITIES INSPECTION SUMMARY REPORT

The District Board of Trustees are required to review and accept the Annual Comprehensive Safety Inspection Reports from Fire Prevention Specialists, a firm retained through the Florida College System Risk Management Consortium. All owned and leased college facilities used for direct instruction and/or support were recently inspected in compliance with various State and Federal regulations pertaining to fire safety, sanitation, and casualty.

No serious fire safety violations were reported. All non-serious fire safety violations have been addressed and have either been corrected or are in the process thru our vendors.

SUGGESTED MOTION:

Move to approve the fire safety, sanitation, and casualty inspection reports for the 2022-2023 year as presented.
