- Use your high school GPA if you have yet to take any classes at SFSC.
- Your class schedule must be attached to this application.

I am requesting assistance from the Emerge Scholars Program for the Term indicated above. The information I have provided on this form is true and correct to the best of my knowledge.

As part of the S-STEM Emerge Scholars program, SFSC is required to collect and report certain student information to the National Science Foundation (NSF) to help evaluate and improve the program. Examples of information that may be collected include directory information, academic major, career goals, demographic details, GPA, and information about internships or employment. This data is reported through a secure system and is used only for program evaluation and to track student progress. Any information that could identify you will be kept strictly confidential. By signing this application, you authorize the release of this information to the NSF and its designated contractors for the purposes described above. In addition, by signing below you agree to participation in grant-related activities and evaluations.
