This course is designed to prepare middle managers in criminal justice agencies by providing a basic understanding of the responsibilities that will allow them to function effectively in their role.

Students should bring the following information to the first class: copies of their agency's job descriptions for the first-line supervisors (sergeants) and middle managers (lieutenants, captains, majors) as applicable; their agency's organizational chart; their assigned unit/division budget; and their agency's policy regarding ethics. This information is essential for instruction of various lessons and group exercises. These documents should be in a digital format on a thumb drive if possible. Paper will suffice if necessary.

To reserve a seat, mail or drop off a department authorization form to the Criminal Justice Academy. For more information, contact Melinda Burke at Burkeme@southflorida.edu or 863-784-7285.
